### ***DETAILED ACTION***

#### **I. Action Summary**

1. Receipt of the remarks and amendments filed on August 12, 2009 is acknowledged. The amendments to the claims after a non final office action have been entered. Claims 14, 18, 24 and 27 are now directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claim 25, directed to the process of using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, is hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on 12/09/2008 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Claims 14, 18, 24, 25 and 27 are now in condition for allowance.

**II. Reasons for Allowance**

The following is an examiner's statement of reasons for allowance:

The rejections sent in the Non Final Office Action have been withdrawn because of applicant's amendments and arguments.

Applicants have amended the claim 14 and the prior art does not read on the amended claims. The products and methods as described in the instantly claimed invention are not obvious and are not anticipated by prior art. Therefore, claims 14, 18, 24, 25 and 27 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Telephone Inquiry**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamal A Saeed whose telephone number is (571) 272-0705. The examiner can normally be reached on M-T 7:00 AM- 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Joseph K. McKane, can be reached at (571) 272-0699. **The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300. All Internet e-mail communications will be made of record in the application file. PTO employees will not communicate with applicant via Internet e-mail where sensitive data will be exchanged or where there exists a possibility that sensitive data could be identified unless there is of record an express waiver of the confidentiality requirements under 35 U.S.C. 122 by the applicant.
